ASPECTS OF ALABAMA'S APPROACH

Review Zero to Three's *Preventing Child Abuse and Neglect* (PCAN) curriculum for content, application, and expanded opportunities for use

Work with State Office of School Readiness to assist in training for pre-Kindergarten classes

Promote the Protective Factors in literature and presentations

UPCOMING ACTIVITIES

Increase the state's capacity to implement the PCAN curriculum by training twenty new trainers and expanding the number of early learning providers who receive training in the PCAN training modules

Demonstrate significant gains in trainers' self-efficacy as reported through the Child Abuse and Neglect Self-Efficacy Scale

Increase knowledge of module material by early learning providers as evaluated through use of Knowledge Assessments

Enhance the ability of early education professionals to engage families in ways that promote positive parenting

STRENGTHENING FAMILIES NATIONAL NETWORK

With funding from the Doris Duke Charitable Foundation, the SFNN, brings together states, territories, and tribes implementing Strengthening Families with national organizations embedding the approach into their work.

Partners in the SFNN have deep, broad-based Strengthening Families initiatives across multiple systems in the state, and have a leadership role in the network. 9 states are partners in the SFNN.

Affiliates in the SFNN are strongly committed to Strengthening Families and are working towards comprehensive implementation of the approach at the state level. 14 states are affiliates in the SFNN.
