ASPECTS OF MAINE'S APPROACH

Pilot Strengthening Families in six pilot sites, conducting assessments and providing technical assistance

Partner with Resource Development Centers and Child Abuse and Neglect Prevention Councils to assume the responsibility for expansion of Strengthening Families via learning hubs

Catalogue trainings for early childhood professionals to ensure that the Strengthening Families approach is integrated into existing programs

Share information about Strengthening Families through organized forums with key decision-makers, early care and education providers and trainers, and other state leaders

UPCOMING ACTIVITIES

Develop criteria and benefits for early care and education programs to join the initiative and become Strengthening Families Maine sites

Create tools and materials for implementing and reporting on Strengthening Families in pilot sites

STRENGTHENING FAMILIES NATIONAL NETWORK

With funding from the Doris Duke Charitable Foundation, the SFNN, brings together states, territories, and tribes implementing Strengthening Families with national organizations embedding the approach into their work.

Partners in the SFNN have deep, broad-based Strengthening Families initiatives across multiple systems in the state, and have a leadership role in the network. 9 states are partners in the SFNN.

Affiliates in the SFNN are strongly committed to Strengthening Families and are working towards comprehensive implementation of the approach at the state level. 14 states are affiliates in the SFNN.
